4. What we need from you

The documents on the checklist we send for each service, prompt answers to our questions, and notice of any change in your circumstances. You are responsible for the accuracy and completeness of the information you give us, for keeping records for 5 years, and for your own decisions. You make all payments from your own accounts; we do not move your money.

5. Fees

Our fees are as set out in our quote. If the work turns out to be materially different from what was quoted, we will tell you and agree a revised fee before continuing.

☐ I authorise Sydney Bookkeeping & Advisory to collect invoices automatically from the card or bank account I set up through the invoice's Pay now link.

6. Our professional obligations

Tax and BAS services are provided by registered tax and BAS agents under the Tax Agent Services Act 2009 and the Code of Professional Conduct. If we find that something lodged is wrong, we must tell you and may need to tell the ATO. For company and SMSF set-ups we must verify identity under the AML/CTF Act.

8. Privacy, records and ending

We handle your information under the Privacy Act 1988 and keep our working papers for 5 years. Either of us can end this engagement with 30 days' written notice; we will hand over your records once fees are paid. This letter continues for future years until it is ended.
