How it works

Step	What happens
1. Talk to us	A short call or meeting about what you need
2. Quote	A written quote with the scope and fee
3. Engagement letter	You sign it online or on paper
4. Checklist	We send a checklist of exactly what we need from you
5. We get to work	You see progress and we tell you when it is lodged

Tax returns are prepared and lodged by a registered tax agent. Company and SMSF set-ups include an identity check required by Australian anti-money laundering law.
