Start date

Monthly fee (ex GST)

Xero file

1. Your package

Tick one package. Details of each are in our fee schedule.

- ☐ Essentials – $750 a month: up to 2 bank or card accounts, monthly reconciliation, quarterly BAS.
- ☐ Standard – $2,800 a month: up to 4 accounts, weekly reconciliation, BAS, payroll for up to 5 employees, quarterly management report.
- ☐ Complete – $5,000 a month: up to 8 accounts, weekly reconciliation, monthly BAS, payroll for up to 15 employees, monthly management report, 2 hours of extra work.

2. What we will do

- Keep your Xero file up to date and reconcile your bank and card accounts.
- Process supplier bills sent to your Xero bills inbox.
- Prepare and lodge your BAS as a registered BAS agent.
- If included, run payroll, report through Single Touch Payroll and pay super with each pay run.
- If included, prepare a management report with your profit, cash position and what is due to the ATO.

3. What is not included

Income tax returns, financial statements, audits, legal advice, and any work outside your package. We quote extra work as a fixed fee, or at $120 an hour plus GST, before we start.

4. What we need from you

Bank and card statements for any account without a bank feed, receipts and invoices within 7 days, prompt answers to our questions, and notice of any change in your business. You remain responsible for the accuracy of the information you give us and for your business decisions. You make all payments from your own accounts; we do not move your money.

5. Fees and payment

Your monthly fee is invoiced on the 1st of each month. We review fees each July and give you 30 days' notice of any change.

☐ I authorise Sydney Bookkeeping & Advisory to collect each monthly invoice automatically from the card or bank account I set up through the invoice's Pay now link.

6. Our professional obligations

As a registered BAS agent we must comply with the Tax Agent Services Act 2009 and the Code of Professional Conduct. If we find that a lodged statement is wrong, we must tell you and may need to tell the ATO.

BAS agent number

7. Software and AI

We use Xero and other software, including AI tools, for routine work such as coding transactions and drafting emails. A qualified person reviews everything before it is lodged with the ATO or sent to you.

8. Privacy and records

We handle your information under the Privacy Act 1988, protect our systems with multi-factor authentication, and keep our working papers for 5 years.

9. Ending the engagement

Either of us can end this engagement with 30 days' written notice. We will hand over your Xero access and records once all fees are paid. This letter continues each year until it is ended.
